BEHAVIOR EXPECTATION

Dream Center Peoria adheres to high safety standards and regulations. To create and maintain such an environment will require the participation of staff and students alike. Please read the following information carefully so you and your child can fully understand and agree to the expectations set forth by Dream Center Peoria.

Disciplinary Process:

Most disciplinary situations at our After School Program (ASP) are minor and can be resolved with minimal corrections. ASP staff use discipline as a learning opportunity for the students to try to integrate problem-solving skills into the discussion. However, if the negative behavior continues the following steps may be instituted.

1. Discussion between student and staff with set goals and objectives.
2. Discussion between student, staff, and director to clarify goals and objectives previously set by the parties involved.
3. If the conduct continues, documentation of the negative behavior will be recorded in the form of a Behavior Contract signed by the student, staff, and director.
4. Director will contact the parent/guardian to inform them of the situation and discuss possible options.
5. Program Director will contact parent/guardian to make arrangements for the student's discharge from the program.

Although the above steps may be implemented, ASP Administrative staff retains the right to take immediate action if the student's behavior poses a threat to their own safety, the safety of other students, or the ASP staff.

CELL PHONES ARE PROHIBITED AND SHOULD NOT BE USED DURING THE HOURS OF THE PROGRAM AT DREAM CENTER PEORIA.

Cigarettes, alcohol, illegal drugs, weapons, and sexually explicit material and/or behavior are grounds for immediate dismissal from the program.

I agree to the above stated expectations and understand that my child may be sent home due to behavior problems.

AFTER SCHOOL PROGRAM STATEMENT OF FAITH

Dream Center Peoria's primary purpose is to spread the Gospel of Jesus Christ through practical outreach, emphasizing firm beliefs about the Christian faith, and the importance of family. Based upon six guiding principles drawn from the wisdom of the Bible and the Judeo-Christian ethic:

We believe...that the ultimate purpose in living is to know and glorify God and to attain eternal life through Jesus Christ, our Lord. Beginning within our own families and reaching out to a suffering humanity that does not know of His love and sacrifice.

We believe...that the institution of marriage was intended by God to be a permanent, lifelong relationship between a man and a woman regardless of trials, sickness, financial reverses, or emotional stresses that may ensue.

We believe...that to be involved in leadership within this organization, personal relationships must be acceptable as outlined in the Bible.

We believe...that children are a heritage and a blessing from God. We are accountable to Him to raise, shape, and prepare them for a life of service in His kingdom and to humanity.

We believe...that human life is to be highly valued and significant. This includes every physical condition, which may ensue from conception to the grave in which humanness is expressed.

We believe...that God ordains three basic institutions: the family, church, and government for the benefit of all human kind.

- The family exists to propagate the race and to provide a safe and secure haven for nurturing, teaching, and love.
- The church exists to minister to individuals and families by sharing the love of God and the message of repentance, salvation, deliverance, restoration, and victory through the blood of Jesus Christ.
- The government exists to maintain cultural equilibrium and to provide a framework for social order.

I have read Dream Center Peoria's statement of faith and understand that my child will be participating in an after school program that is faith based.

GRANT FUNDING INFORMATION

In order to keep the costs low for our programs we rely on the community to assist with funding our program. We currently have government and corporate grants that require us to show that we are reaching low-income residents. This information is compiled and sent to the granters in a lump amount and no names of individuals are given out. If we are unable to collect this information we lose funding and your costs rise. We thank you for your help in keeping this program as cost effective as possible.
