BEHAVIOR EXPECTATION

Dream Center Peoria's DCP Students Summer Camp

Dream Center Peoria adheres to high safety standards and regulations. To create and maintain such an environment will require the participation of staff and campers alike.

Please read the following information carefully so you and your child can fully understand and agree to the expectations set forth by Dream Center Peoria.

Disciplinary Process

Most disciplinary situations at camp are minor and can be resolved with minimal corrections. Camp staff use discipline as a learning opportunity for the camper and try to integrate problem-solving skills into the discussion. However, if the negative behavior continues the following steps may be instituted:

1. Discussion between camper and staff with set goals and objectives.
2. Discussion between camper, staff, and director to clarify goals and objectives previously set by the parties involved.
3. If the conduct continues, documentation of the negative behavior will be recorded in the form of a Behavior Contract signed by the camper, staff, and director.
4. Director will contact the parent/guardian to inform them of the situation and discuss possible options
5. Program Director will contact parent/guardian to make arrangements for the camper's discharge from camp.

Although the above steps may be implemented, camp administrative staff retains the right to take immediate action if the camper's behavior poses a threat to their own safety, the safety of other campers, or camp staff.

There will be NO REFUND OF ANY AMOUNT for campers who are sent home because of behavior problems.

Possession of tobacco, alcohol, illegal drugs, weapons, or sexually explicit material, and/or sexually explicit behavior are grounds for immediate dismissal from camp.

I agree to the above stated expectations and understand that I will not receive a refund if my child is sent home because of behavior problems.

STATEMENT OF FAITH
Dream Center Peoria's DCP Students Summer Camp

Dream Center Peoria's primary purpose is to spread the Gospel of Jesus Christ through practical outreach emphasizing firm beliefs about the Christian faith and the importance of family, based on six guiding principles, drawn from the wisdom of the Bible and the Judeo-Christian ethic:

We believe...that the ultimate purpose in living is to know and glorify God and to attain eternal life through Jesus Christ, our Lord. Beginning within our own families and reaching out to a suffering humanity that does not know of His love and sacrifice.

We believe...that the institution of marriage was intended by God to be a permanent, lifelong relationship between a man and a woman regardless of trials, sickness, financial reverses, or emotional stresses that may ensue.

We believe...that to be involved in leadership within this organization, personal relationships must be acceptable as outlined in the Bible.

We believe...that children are a heritage and a blessing from God. We are accountable to Him to raise, shape, and prepare them for a life of service to His kingdom and to humanity.

We believe...that human life is to be highly valued and significant. This includes every physical condition which may ensue from conception to the grave in which humanness is expressed.

We believe...that God ordains three basic institutions: the family, church, and government for the benefit of all humankind.

The family exists to propagate the race and to provide a safe and secure haven for nurturing, teaching, and love.

The church exists to minister to individuals and families by sharing the love of God and the message of repentance, salvation, deliverance, restoration, and victory through the blood of Jesus Christ.

The government exists to maintain cultural equilibrium and to provide a framework or social order.

I have read Dream Center Peoria's statement of faith and understand that my child will be participating in a summer camp program that is faith based.

GRANT FUNDING INFORMATION

In order to keep the costs low for our programs we rely on the community to assist with funding our program. We currently have government and corporate grants that require us to show that we are reaching low-income residents. This information is compiled and sent to the granters in a lump amount and no names of individuals are given out. If we are unable to collect this information we lose funding and your costs rise. We thank you for your help in keeping this program as cost effective as possible.
